The major hazards from working outdoors are

1. De-hydration;
2. Sunburn;
3. Heat stress;

Rajeev Vasudevan
Sr. Safety Engineer

Biju Kurup
Construction Manager

(Attendance sheet attached)

Mr. Rajeev Vasudevan, Sr. Safety Engineer commenced the function by welcoming all members of the project. He congratulated all for working safely and requested to continue the spirit till the end of the project to complete it without any mishaps.

An awareness session has conducted & topic was awareness of heat related illness and compliance of ADCO's PTW system.

Reminded to JPs/Safety Officers/Supervisors to be in compliance with ADCO PTW system, follow rules & procedures to avoid PTW violations which would result in LPR infractions. Ensure adequate welfare amenities such as cold drinking water and sanitation facilities are always available at site

Mr. Biju Kurup, Project Construction Manager of Galfar-7072 congratulated to the award winners and concluded the meeting by requesting to all continue team work, comply with the client & contractors law, standards and procedures in order to make the project a successful one. He reminded everybody that reporting all kinds of hazards/unsafe conditions and near misses is everybody's responsibility.

At finally he distributed the HSE award to the below listed personnel:-

- (a) **Appreciation Certificate to Mr. Iyyappan, Job Performer** (Outstanding contribution of safe execution and successful completion of 90 mtr Telecom Tower)
- (b) **Safe Man of the month (May 2016) award** to Mr. Arun Raj (Mechanical Helper)
- (c) **Safe Man of the month (May 2016) award** to Mr. Ranjith Mahato (Mechanical Helper)
- (d) **Safe Driver of the month (May 2016) award** to Mr. Sami Ullah (Heavy Duty Driver)
- (e) **Safe Operator of the month (May 2016) award** to Mr. Huzai Alam Gul (Equipment Operator)

After award distribution, he congratulated regarding we achieved a significant milestone in our ongoing journey towards making project a safe and successful one when our drivers hit **one million safe kilometers without any road traffic accidents.**

This achievement is more remarkable considering various challenges the project has had to deal with transportation, including difficult desert environment (rough terrain & adverse weather) that is typical to Buhasa fields and target oriented tight working schedule. This achievement is the result of a safe working culture based on hard work and commitment to teamwork by the drivers/operators, a strong management supports and strong ownership by individual departments/ disciplines namely Construction, Safety and Plant. Confident that we can maintain the same spirit and can achieve more milestones in future keeping the right attitude and an uncompromising approach to safety.

Congratulations to all.....
